COMMITTEE REPORT

ANNEXATION ORDINANCE NO. X-70-09-11

After reviewing the Annexation Report, it is the opinion of this Committee that the area proposed for annexation by Bill No. X-70-09-11 does meet the criteria for annexation as follows:

1. THE AREA PROPOSED FOR ANNEXATION MUST HAVE AT LEAST ONE-EIGHTH (1/8) OF THE AGGREGATE EXTERNAL BOUNDARIES COINCIDE WITH THE BOUNDARIES OF THE ANNEXING CITY:

   This area is contiguous to the City on its southern-eastern boundaries which comprises approximately sixty percent (60%) of its external boundary.

2. THE AREA PROPOSED FOR ANNEXATION MUST HAVE A UNITY OF INTEREST WITH THE MUNICIPALITY:

   Since the area is being used for a 240 unit apartment complex and the area does have municipal services at the present time, the area does have unity of interest.

3. THE CITY MUST DESIRE TO ANNEX THE AREA:

   If the City Council, being the legislative branch, and the Mayor, being the head of the Administrative branch, pass and approve the annexation ordinance annexing this area, it would certainly indicate that the City desire to annex the area.

4. THE ADVANTAGES TO THE AREA PROPOSED FOR ANNEXATION MUST OUTWEIGH THE DISADVANTAGES:

   The only disadvantage to the annexation would be from the standpoint of taxes. All of the advantages of annexation such as city services received for the increased taxes would outweigh the disadvantages. These services would include increased fire protection, which cannot be measured in terms of dollars and cents where life and property are involved, street lighting, fire and police alarm systems, police service, both emergency as well as routine patrols, and various other municipal services that are only provided within a municipality.

5. THE ADVANTAGES TO THE CITY MUST OUTWEIGH THE DISADVANTAGES:

   The advantages to the City would outweigh the disadvantages in that the city would be continuing to realize a normal, active growth from the standpoint that development will take place around the city, whether the city wants it or not. The only complications that might arise are when the areas around the city either incorporate as seperate communities or maintain an independent status and thereby prohibit the natural growth and expansion of the city proper.

6. THE DEFICIT OF INCOME AGAINST EXPENSE TO THE CITY MUST NOT BE UNREASONABLE:

Since the net annual deficit to the City would be approximately $1,942.00 per year, and since this report does not include assessments on the proposed 240 unit apartment project, it could be assumed that there would be an income to the city. Therefore the deficit against expense would not be unreasonable.

7. THE CITY HAS DEVELOPED A FISCAL PLAN TO FURNISH THE TERRITORY WITHIN A PERIOD OF THREE (3) YEARS, GOVERNMENTAL AND PROPRIETARY SERVICES:

The existing policy of the city is to provide governmental proprietary services within the annexed areas immediately.

8. THAT THE RESIDENT POPULATION IS EQUAL TO AT LEAST THREE (3) PERSONS PER ACRE, OR
THAT THE LAND IS ZONED FOR COMMERCIAL, BUSINESS OR INDUSTRIAL USES, OR
THAT SIXTY PERCENT (60%) OF THE LAND IS SUBDIVIDED:

This area contains 43.7 acres of land. At the present time a 240 unit apartment complex will be occupied by a minimum of 480 persons. Therefore the resident population is greater than three (3) persons per acre.

Based upon the above reasoning, it is the recommendation of this committee that the area proposed for annexation by Bill No. X-70-09-11 does meet the criteria for annexation and therefore, should be returned to the Common Council with the recommendation that it DO PASS. It is further recommended that this ordinance be enacted so as to become effective as soon as possible.

Respectfully submitted,

Morris Holmes, Chairman
Annexation Committee
